Executive Director's Staff Actions:

- 1) Art will provide a breakdown report of Decian's recently major completed projects to the Board.
- 2) Art will provide a spreadsheet that outlines dates and times of sludge delivery trucks which also coincide with an odor complaint.
- 3) Art will also provide an analysis from the Lab, detailing how many sludge samples are tested daily, monthly and annually in comparison to how many sludge deliveries we receive, as well as a few sludge sample data reports for the Board to review.
- 4) Art will add to the next Engineering Committee meeting agenda to hold a discussion on odor complaints and the NPDES Permit that is still currently being reviewed by the DEEP, to ensure the District is prepared for when they respond. The DEEP has notified Art that the Permit is still under review due to higher priorities than The Mattabassett District.
